

The mission of the Commodore John Barry Arts & Cultural Center (the "Irish Center") is to teach, celebrate and promote Irish art, culture and heritage. Irish music plays a significant role in the mission of the Irish Center.

To live our mission to the fullest again, we want to welcome international musicians back to Philadelphia and the Irish Center. This is an expensive endeavor, especially since so many musicians have all been affected by the industry-wide shutdown of the last few years. Thus, from time to time, the Irish Center will seek sponsorships to help alleviate these costs.

Please review the below sponsorship opportunities related to the Nathan Carter concert scheduled for November 18th. Please contact Lisa Maloney if you are interested in being a sponsor.

PLATINUM SPONSOR - \$1000

- Recognition as Platinum level sponsor on Irish Center's website, email blasts and social media posts
